MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES- IN MYSORE BANGALORE.

Notification dated 12th February 1952.

Allotment of yarn to powerlooms was being arranged by the Office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and District, where the distribution was arranged by the Office of the Controller of Civil Supplies, till the end of December 1950 as notified in Notification No. Y. 685, dated the 1st June 1950.

Since the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, has been formed as per Government Order No. A.F. 6423-28—C.S. 19-50-6, dated the 28th October 1950, for the distribution of yarn to the two-thirds of the total number of handlooms in the State through the Primary Weavers' Co-operative Societies, formed in several places in Mysore State with effect from 1st January 1951 and to one-third the total number of handlooms through the Retail Yarn Dealers with effect from February 1951, the following revised arrangements are therefore laid down in exercise of the powers conferred on me by clauses 30-A and 30-B and sub-clause (1)(a) of clause 22 of the Cotton Textiles (Control) Order, 1948 read with Notification No. 80—Tex. 1-48(ii), dated the 2nd August 1948 of the Textile Commissioner, Bombay, as the matter relates to distribution of yarn by wholesale and retail dealers and margin of profit of dealers and societies.

Method of Distribution.

The procurers of certain Mills who were not entitled to procurers' margin will function as agents of the respective mills and sell yarn so received at ex-mill rate *plus* sales-tax *plus* half per cent centage (to be remitted to Government as before) *plus* actual transport charges, if any.

The procurers-*cum*-consumers who are getting yarn direct from the Mills for use in their factories are required to remit half per cent centage to Government.

The procurers-*cum*-wholesalers have got to remit to Government half per cent centage of yarn purchased from the Mills either under allotment or under free sale.

Where the above classes of distributors purchase yarn from Mills either local or foreign under allotment, free sale or under *ad hoc* supplies, they should remit half per cent centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of 'N' licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government half per cent centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. 'N' wholesale licensees of mills situated within Mysore State also should declare their purchases to this office for purpose of allotment after paying half per cent centage to Government calculated on ex-mill value of goods.

Sri Shankara Textile Mills, Ltd., Davangere, and Sri Ganesar Textile Mills, Ltd., Davangere, and Davangere Cotton Mills, Ltd., Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to 'N' wholesale licensees in Mysore State, should credit to Government half per cent centage.

The wholesale yarn dealers who receive yarn bales from Gokak Mills as per allotment should remit to Government half per cent centage on all the bales of yarn allotted to them, from the date Messrs. Cosmic Commercial Co., Bangalore, have stopped remitting centage on the bales of yarn offered to Mysore State.

Wholesale Yarn Dealers.

The wholesale yarn dealers will be allotted yarn out of the State quota as per quota fixed to each, depending upon the actual number of yarn bales received during each month and they are entitled to charge 2½ per cent wholesaler's margin calculated on ex-mill value on yarn sold to Retail Dealers, Co-operative Societies or to Powerloom Factories.

2. The Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, is permitted to charge 2½ per cent wholesale margin on 40 bales of yarn allotted each month from Messrs. Devarao Shivaram, Ltd., Bangalore, and for the other yarn bales allotted from the several wholesalers, I per cent on ex-mill value towards their margin of profit.

3. Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerloom factories do not pay and lift the allotted quota within ten days from the date the concerned wholesale dealer send intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to the office for purposes of re-allotment.

4. The wholesale yarn dealers should declare stocks lapsed by the retail yarn dealers or Co-operative Societies or unallotted balances on the 5th of the succeeding month and obtain distribution instructions from this office as regards such lapsed or unallotted bales.

5 Where the wholesale yarn dealers purchase yarn under free sale direct from the Mills (either local or foreign) they are required to remit half per cent centage to Government and declare such stocks for allotment by the office.

6. Yarn purchased by wholesale yarn dealers under free sale from the Mills for purposes of export outside the State is subject to the same procedure as laid down in para 5 above.

Retail Yarn Dealers and Co-operative Societies.

The retail yarn dealers in the State should purchase yarn on permits issued by this office and sell such yarn to the weavers attached to them as per approved list. They should charge 5 per cent retail margin only calculated on ex-mill value. Yarn should not be sold to persons who are not weavers and who are not on the approved list.

The Weavers' Co-operative Societies in the State should purchase yarn on permits issued by the Secretary, the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, and distribute the same to the weavers attached to them. They should charge 4 per cent retail margin calculated on ex-mill value. The Weavers' Co-operative Societies should not either add or alter the names of persons or the number of handlooms attached to them without the permission of this office. On 40 bales of yarn referred to in para 2 above, they can charge 5 per cent.

Margin of profit and other charges.

In effect the margin of profits will be as indicated below on Rs. 100 ex-mill value of yarn.
